

## Drake Davis Foundation

*The mission of the Drake Davis Foundation is to raise awareness of suicide prevention and to assist people whose lives are affected by suicide. Formed in memory of Drake Davis who committed suicide on January 4, 2006, the Foundation awards scholarships to high school seniors who exemplify outstanding leadership, character and community service. These scholarships not only provide needed financial assistance but also an occasion to raise awareness and talk about suicide prevention among young people. Suicide is a problem that so few people talk about but awareness should be made of the impact of suicide on people in general and young people in particular.*

## Did You Know ???

### In the United States:

- someone attempts suicide every minute -
- someone dies from suicide every 18 minutes -
- 30,000 lives are lost to suicide each year -
- suicide is the #3 killer of young people age 14 to 24 -
- suicide is the #2 killer of teenage boys -

## Scholarship Recipient Spotlight

Shala Hammons, a 2007 Drake Davis Foundation scholarship recipient, is a freshman at West Georgia College. Shala has proven that the Foundation chose the "ideal" recipient in her first year of college. She saw her speech class as the perfect opportunity to support the Foundation's mission of raising awareness of suicide prevention and to assist people whose lives have been affected by suicide. Young people like Shala can make a difference by bringing to the forefront a topic that so few talk about. The Foundation is grateful to Shala and the other young people who are using Drake's memory to convey a message that may save someone else's life.
